For all fathers

God in heaven, you are the Father of all.

Human fathers are meant to be an image of You, to guard us, protect us and nurture us.

They guide us toward You with their strength and wisdom.

We ask that You bless all fathers, physical and spiritual, as they strive to imitate You.

Reward them in this life for all that they do, be with them in their trials, and bring them finally to the eternal Kingdom where You are all in all.

We ask this through Christ Our Lord.

AMEN.
