For fathers who are infirmed

Almighty God, You are the Father of us all.

Scripture shows us, in so many ways, what
a loving Father you are.

Our human fathers are meant to be an image
of that love, and of the protection and care
you have for Your people.

I pray now for my father, whom You have
given a share in the passion of Your Son
through suffering.

May he be comforted by Your grace and
my attention.

As he has cared for his children, may I now
care for him until You call him home.

I ask this in the Name of Jesus the Lord.

AMEN.
