Prayer of Thanksgiving

Prayer of Thanksgiving

Loving and Gracious God,

We come before You with hearts full of gratitude,

Thankful for Your boundless love and constant presence.

For the gift of life, family, and friends, we give You praise.

For the opportunities, challenges, and graces of each day,
we offer our thanks.

We acknowledge that every blessing, great or small,
flows from Your generous hand.

From the food we share to the shelter over our heads,

And the love that surrounds us, we recognize You as
the source of all goodness.

Teach us to reflect Your love and generosity

By sharing our blessings with others.

May we be instruments of Your peace and
compassion in the world.

With humble hearts, we lift this prayer of thanksgiving

Through Jesus Christ, our Lord.

Amen.
