A Prayer for the Holy Week Journey

Eternal Father,

I come before you as I begin this holiest season
of the year, and I ask you to fill me with an
awareness of its meaning.

Help me remember that the Passion and Death
of Your Son, Jesus Christ, was followed by a rising
from the dead which conquers death forever.

May I enter into these mysteries with heart and mind,
aware of my sinfulness but confident that Jesus
has paid the price for them.

May the darkness of His crucifixion give way to
the bright promise of Resurrection on Easter Morning.

I ask this through Christ Our Lord.

Amen.
